

## Barre Town

Below are the results from the Ready Kindergarten Questionnaire your district completed last fall. Five kindergarten teachers in your supervisory union completed this questionnaire for 82 kindergartners in the beginning of the 2008-2009 school year. The first chart below illustrates **the percentage of kindergartners who were rated as “Practicing” or “Performing Independently” on all the items within each domain.** The items listed for each domain represent tasks and/or skills a kindergartner might demonstrate upon his/her entry into kindergarten. The second chart shows the percent of students who achieved this standard in four, three, two, one, or no domains. Note: Results for the Health & Well-Being domain are not reported, due to a high proportion of incomplete responses.

Please note that there were several important changes in the survey instrument as of the ‘04-‘05 year. These included the addition of a “don’t know” response option, and a revised set of items in the Cognitive Development & General Knowledge domain. Thus, you should use caution when comparing these results to those of prior years. These results are not meant to identify students who are “not” ready for school, but rather are offered as information about the broad skills children in your supervisory union demonstrate upon entry into kindergarten. For your further information, your supervisory union’s results are compared to the state aggregate results.

To offer you more specific information, the percentage of students who were rated as “Practicing” or “Performing Independently” is listed for each item within each domain in Table 1. The numbers in bold are the percentages that are represented in the figure above (note these are NOT averages of the individual item percentages, but the proportion of children who met the standard on *all* items within the domain). It will be important to discuss these results with your kindergarten teachers, with parents, and with child care providers in your community in order to fully interpret their meaning. Some questions to guide your discussions might be:

1. Are our kindergartners demonstrating the skills that we are hoping they would have upon entry into school?
2. Are there areas where we should focus our efforts to better prepare our future kindergartners for school?
3. How can we as a community ensure that more of our young children are “ready” for school?

Table 1: The percentage of students in the supervisory union and the state who were rated as “Practicing” or “Performing Independently” the item or skill.

<b>Questionnaire Item</b>	<b>Barre Town</b>	<b>State-Wide</b>
<b>Social and Emotional Total: “practicing” or “performing independently” on ALL items</b>	<b>48.4</b>	<b>66.9</b>
Can meet/play with different children	89.3	87.4
Uses-problem solving skills in social situations	61.0	71.9
Separates easily from caregiver	73.4	91.9
Appropriately expresses emotions	65.9	82.2
Adapts to transitions	78.0	88.4
Interacts positively with adults	80.5	91.7
<b>Approaches to Learning Total: “practicing” or “performing independently” on ALL items</b>	<b>51.9</b>	<b>66.2</b>
Follows simple rules	75.6	85.1
Persists with self-directed activity	82.9	87.4
Appears enthusiastic	87.8	90.3
Uses a variety of strategies	78.0	80.5
Pays attention	72.0	79.2
Engages in conversation	74.4	84.8
Knows how and when to use adults	79.3	84.6
Initiates activities in the classroom	74.1	84.4
Is curious	76.8	85.5
<b>Communication Total: “practicing” or “performing independently” on ALL items</b>	<b>67.1</b>	<b>81.3</b>
Communicates needs	80.5	90.8
Understands simple directions	90.2	90.3
<b>Cognitive Development/General Knowledge Total: “practicing” or “performing independently” on ALL items</b>	<b>34.5</b>	<b>61.2</b>
Shows awareness of how books are organized and used	78.0	88.3
Can recall and explain sequences of events	61.7	78.9
Recognizes name in print	86.6	91.3
Engages in imaginative play	85.2	90.7
Shows beginning awareness of letter/sound correspondence	54.9	73.5
Can identify 10 or more letters of the alphabet	72.0	78.0
Uses scribbles, symbols, or letters to write or represent words or ideas	52.4	74.6
Shows ability to count 5 or more objects using one-to-one correspondence	80.5	88.2
Can identify several basic geometric shapes	84.4	88.1
<b>Health &amp; Well-Being Total: meeting standard on ALL items</b>	<b>N/A</b>	<b>N/A</b>
Demonstrates self-help skills	90.9	96.0
Ability to learn rarely appears inhibited by illness	N/A	N/A
Ability to learn rarely appears inhibited by fatigue	N/A	N/A
Ability to learn rarely appears inhibited by hunger	N/A	N/A
